Dear Children and Parents,

Another week has gone by and our Live learning sessions are buzzing with learning. I am delighted with the way children and parents have embraced this new style of learning and other than the odd technical issue here and there, I'm sure you will all agree that it has been a big success.

If you are continuing to have problems accessing the Live learning sessions or the activities on Purple Mash please contact the school office as a matter of urgency.

The timetable for next week's online Live learning on Microsoft Teams (via purple mash) will follow the same format as this week;

Reception – 11am

Year 1 & 2 – English 9:30am & Maths 11am

Year 3 & 4 – English 9am & Maths 10:30am

Year 5 & 6 – English 9:45am & Maths 11:15am

The government has now provided guidance on the Free School Meal Vouchers system and we are in the process of organising vouchers for all children that are entitled to these. Please be aware that not all KS1 children who receive a universal free school meal in school are entitled to this voucher unless you have applied. If you have any questions regarding the vouchers, please contact the school office.

I have been contacted this week by a community group at St Joseph's church who are in the process of arranging food parcels for any families who may need them over the February half term holiday. I will send information out nearer the time for any families who would like to receive these.

Thank you all for your continued support and the huge effort people are making to complete learning online. Remember that although we may not all be together in the school building at the moment, we are still a community and we are here to support each other in these challenging times.

Stay safe,
Greg Ball
Headteacher
