

**Dear Parents and Carers,**

As we come to the end of another busy and successful term, I would like to take this opportunity to share some of the highlights from across the school.

Our Year 1 class had a fantastic visit to the Transport Museum this week. The children demonstrated responsible and respectful behaviour throughout the trip and were a real credit to the school. They enjoyed learning about trams, buses, and fire engines, and explored how transport has evolved over time.

On Thursday morning, our Year 4 class delivered a wonderful assembly. The children shared their thoughts on identity and belonging, linking to the work they have been doing as part of the linking project. They also performed a very moving song about trying everything, which was thoroughly enjoyed by all who attended.

It was also a pleasure to welcome so many of you to Parents' Evening. Building strong relationships between parents and teachers is incredibly important and has a positive impact on children's progress. Thank you for taking the time to come and support your children.

On Friday, we celebrated our attendance achievements. A special congratulations to the 44 children who achieved 100% attendance over the Spring term and received a bronze badge. In addition, 28 children have maintained 100% attendance since September and were awarded a silver badge to add to the bronze badge they received at Christmas—an incredible achievement!

We also had our first winners in the 3+ Reads children's raffle. The winners were selected at random using an online "Spin the Wheel" game, which created great excitement across the school. Well done to Pippa and Millie! Thank you to all the children who have been entering by logging three reads each week on the Boom Reader app.

Thank you to all the children who entered our Beal Vale Art Competition. If you entered, your artwork is now proudly displayed in our Beal Vale Art Gallery. A huge well done to our prize winners: 1st prize in KS2, Shanzay, and 2nd prize, Eva. In KS1, 1st prize goes to Mille and 2nd prize winner Rose- well done to all of you for your fantastic creativity.

In addition, we celebrated our Pupil of the Term award winners—children who have consistently demonstrated our school's 3Rs throughout the term. A huge congratulations to each of them for their hard work, resilience, and positive attitude. They are fantastic role models for our school community.

**Pupil of term:**
