

Dear Parents and Carers,

This week has been full of exciting events and wonderful achievements for our pupils.

Our Year 6 Handball team represented the school brilliantly at a tournament held at Crompton House, competing against several local primary schools. The team demonstrated fantastic teamwork, determination, and sportsmanship throughout the competition and finished in an impressive second place. We are extremely proud of their achievement and the way they represented our school.

On Monday, we also held our annual Science Fair. It was a fantastic event that showcased the creativity, curiosity, and hard work of our pupils. We would like to say a big thank you to all the parents and families who came along to support the children — your encouragement and involvement made the event even more special.

This week, our Year 1 and Year 2 classes also treated us to a wonderful class assembly. The children confidently shared their learning and it was a pleasure to see how much progress they have made. It was lovely to welcome so many parents and family members to support the children on this special occasion.

Year 5 enjoyed a fantastic class trip to Martin Mere Wetland Centre. The visit provided a wonderful opportunity for the children to enhance their learning outside the classroom and experience nature first-hand. The children were extremely well behaved throughout the trip and represented the school beautifully. We are very proud of them.

Finally, a reminder that the online booking system for Parents' Evening is now live. Parents' Evening will take place on Thursday 26th March from 3:30pm to 6:00pm. This will be a valuable opportunity to discuss your child's progress and look through their books. We look forward to seeing you there.

Warm regards
Mr Rashid
