

Dear Parents and Carers,

We have been incredibly proud of our Year 6 pupils this week with the mature and determined way they have tackled their SATs. They have shown resilience, positivity and a fantastic attitude throughout the week. A huge thank you also goes to all the staff and families who have supported the children and helped make the week run so smoothly. As a special reward for all of their hard work and effort throughout the week, the Year 6 children were also treated to an ice cream, which was thoroughly enjoyed by everyone!

Reception class have continued their exciting journey into the world of nature this week. Alongside eagerly watching our duck eggs hatch into fluffy ducklings, the children have also been observing the incredible transformation of caterpillars into beautiful butterflies. There has been a real sense of awe and wonder around school as the children have learned about life cycles first-hand, caring for the animals and watching nature unfold before their eyes. It has certainly been a week full of discovery, curiosity and excitement!

Continuing our animal-themed adventures, Year 3 had an amazing time during their visit to Cannon Hall Farm. The children thoroughly enjoyed meeting and learning about the different animals, exploring the farm and taking part in a range of hands-on experiences. Their excellent behaviour and enthusiasm made the trip a huge success.

With so much excitement around animals and nature in school this week, it feels especially fitting as we celebrated the 100th birthday of Sir David Attenborough, whose work has inspired generations to learn more about the natural world and care for the creatures we share it with.

We are delighted to celebrate the achievements of our pupils this week. A big congratulations to our *Pupil of the Week* and our *Class Superstars* who have shown fantastic effort, kindness, and commitment to our school values
