

Dear Parents and Carers,

Welcome back to the first week of Summer Term 2. This is set to be a very busy and exciting half term, with lots of activities, trips and events planned for our pupils. Please ensure that notifications are switched on for your Parent App and keep an eye on the Summer Term Key Dates that were shared at the start of the summer term in April.

It has certainly been a busy first week back. After enjoying some glorious summer weather over the half-term break, a more typical British summer returned this week with plenty of rain! Unfortunately, due to the wet weather, we had to make the difficult decision to cancel both our KS1 and KS2 Sports Days.

We are currently looking at the calendar to identify a new date. However, the forecast suggests that rain is likely to continue over the next two weeks. We deliberately scheduled Sports Day early in the term to give us flexibility to rearrange if necessary, and we will communicate a new date as soon as possible. Thank you for your understanding and please keep an eye out for further updates.

Thank you also for your generous tombola donations this week in preparation for our Summer Fair. Your support is greatly appreciated and helps make these events such a success.

A reminder that next Friday will be a non-uniform day, and we will be collecting bottles for our Summer Fair bottle stall. We are grateful for any donations you are able to make.

Finally, on Friday, our Year 5 and Year 6 Brass Group had the exciting opportunity to perform at a lunchtime event at Crompton House alongside their brass band. The children represented the school brilliantly, and we were incredibly proud of their performance, confidence and enthusiasm.

We also had our Summer 1 winners in the 3+ Reads children's raffle. The winners were selected at random using an online "Spin the Wheel" game, which created great excitement across the school. Well done to Olivia T and Lucas! Thank you to all the children who have been entering by logging three reads each week on the Boom Reader app.

We are delighted to celebrate the achievements of our pupils this week. A big congratulations to our *Pupil of the Week* and our *Class Superstars* who have shown fantastic effort, kindness, and commitment to our school values
